

Unconditional Love

2Pac

What y'all want?

Unconditional Love

No doubt Talking 'bout the stuff that don't wear off

It don't fade, it'll last for all these crazy days

These crazy nights, whether you wrong or you right

I'm a still love you, still feel you, still there for you

No matter what, you will always be in my heart

With unconditional love Come, listen to my truest thoughts, my truest feelings

All my peers doing years behind drug dealing

How many caskets can we witness before we see it's hard to live

This life without God, so we must ask forgiveness

Ask mama, why I got this urge to die Witness the tears falling free from my eyes before she could reply

Though we were born without a silver spoon

My broken down TV, show cartoons in my living room

One day I hope to make it a player in this game

Mama don't cry, long as we try maybe things change Perhaps it's just a fantasy a life where we don't need no welfare

Shit with our whole family maybe it's me that caused it the fighting

And the hurting in my room crying 'cause I didn't want to be a burden

Watch mama open up her arms to hug me

And I ain't worried 'bout a damn thang with unconditional love In this game the lesson's in your eyes to see

Though things change, the future's still inside of me

We must remember that tomorrow comes after the dark

So, you will always be in my heart with unconditional love In this game the lesson's in your eyes to see

Though things change, the future's still inside of me

We must remember that tomorrow comes after the dark

So, you will always be in my heart with unconditional love Just got the message, you've been calling all week, been out here

Hustling on these streets ain't had a chance to speak but you know

With you and me it's on G, we could never be enemies 'cause you been

Such a good friend to me, where would I be without my dogs? No wonder

Why, when times get hard 'cause it ain't easy being who we are Driven by my ambitions, desire higher positions

So, I proceed to make Gs, eternally in my mission

Is to be more than just a rap musician, the elevation of today's generation

If I could make 'em listen, prison ain't what we need, no longer stuck in greed

Time to plan and strategize, my family's gotta eat When we make somethin' out of nothing, no pleasure in the suffering

Neighborhood would be good if they could cut out all the busting

The liquor and the weed the cussing, sending love out to my block

The struggle never stops unconditional love
In this game the lesson's in your eyes to see
Though things change, the future's still inside of me
We must remember that tomorrow comes after the dark
So, you will always be in my heart with unconditional love
In this game the lesson's in your eyes to see
Though things change, the future's still inside of me
We must remember that tomorrow comes after the dark
So, you will always be in my heart with unconditional love
I'll probably never understand ya ways with
everyday I swear, I hear ya
Trying to change your ways while gettin' paid at the same time
Just had a baby with the same mom, something inside please let me die
These are strange times, how come I never made it? Maybe it's the way
I played it in my heart, I know one day I gotta be a star
My hopes and all my wishes so many vivid pictures and
all the currency
I'll never even get to see this fast life soon shatters
'Cause after all the lights and screams nothing but my dreams matter
Hoping for better days maybe a peaceful night, baby, don't cry
'Cause everythang gonna be alright, just lay your
head on my shoulder
Don't worry 'bout a thang, baby girl, I'm a soldier
Never treated me bad, no matter who I was
You still came with that unconditional love
In this game the lesson's in your eyes to see
Though things change, the future's still inside of me
We must remember that tomorrow comes after the dark
So, you will always be in my heart with unconditional love
In this game the lesson's in your eyes to see
Though things change, the future's still inside of me
We must remember that tomorrow comes after the dark
So, you will always be in my heart with unconditional love
In this game the lesson's in your eyes to see
Though things change, the future's still inside of me
