

Where We Left Off

Brett Dennen

Everyone knows I'm a happy man
But I haven't been great
I sit all alone painting pictures
That don't turn out how I like[Chorus]
In a room full of quite
With a head full of thoughts
If you're looking for me
I'll be where we left off[Verse 2]
Everyone knows I'm a silly man
I love hearing your laugh
If I've been cruel
It's because I'm insecure
And just can't lose my grasp[Chorus - Variation]
I'm so in love with you
I don't wanna stop
If you're looking for me
I'll be where we left off[Bridge]
Silver morning on the shore
You wear your yellow coat and white pants
The horizon was lost[Verse 3]
Everyone's hoping that love can fix
Their brokenness
So many times I couldn't help feel
Like I was helpless[Chorus - Variation]
There's no one inside
No stars to cross
If you're looking for me
I'll be where we left off
