Dancing

Elisa Toffoli

Time is gonna take my mind
and carry it far away where I can fly
The depth of life will dim my temptation to live for you
If I were to be alone silence would rock my tears
'cause it's all about love and I know better
How life is a waving featherSo I put my arms around you around you
And I know that I'll be leaving soonMy eyes are on you they're on you
And you see that I can't stop shaking
No, I won't step back but I'll look down to hide from your eyes
'cause what I feel is so sweet and I'm scared that even my own breath
Oh could burst it if it were a bubble
And I'd better dream if I have to struggleSo I put my arms around you around you
And I hope that I will do no wrong
My eyes are on you they're on you
And I hope that you won't hurt meI'm dancing in the room as if I was in the woods with you
No need for anything but music
Music's the reason why I know time still exists
Time still exists
Time still existsSo I put my arms around you around you
And I hope that I will do no wrong
My eyes are on you they're on you
And I hope that you won't hurt me
my arms around you around you
And I hope that I will do no wrong
My eyes are on you they're on you
And I hope that you won't hurt me
