Mas Vale Sola

Ms Krazie

(Pinches viejas culeras y vatos valen madre hablando
Nada mas porque tienen osico ala chingada con todo
Queriendo ser como estas locas en el micro)
(Pinches vatos old diapers and worth shit talking
Nothing but bitch because they all hang OSIC
How are you crazy wanting to be on the bus)
[CHORUS:]Mas vale sola que mal acompanada me mantengo loca
While I'm smokin marijuana
Say fuck a bitch cause they all the same
You know I don't play no games put this hoes to shame.
Mas vale sola que mal acompanada me mantengo loca
While I'm smokin marijuana I'm dealin business like a brown soldada
And when we're out doin our thing bitch you ain't doing nada
[CHORUS:]More alone than in bad company it keeps me mad
While I'm smokin marijuana
Say They fuck a bitch cause all the same
You know I do not play no games put this hoes to shame.
More alone than in bad company it keeps me mad
While I'm smokin marijuana I'm dealin business like a brown welded
And When We're out doin Our thing bitch you is not doing anything
Mas vale sola que mal acompanada no ando con amistades
Que un minuto dan la espalda they say got your back when
They ain't doing nada y rapido se apuntan when they smell
That marijuana Chavalas quickly try and say when they
Needed clear su nombre they don't even know you when
You got it down y pobre Sobres have been through it all
Cause I've seen it see it then I call it talk bout you probably
Les abristes el osico y ahi andas de mitotero deja te agarro
Solo pa dejarte otro abujero Chale talk bout me dale sigue
Con los homies pa dejarte ya sin madre Me vale
Estoy loca que no es lo que dijistes que ya se te olvido
Los nombres que tu me pusistes carajo si quieres deja
Te lo recuerdo crazy ass bitch que no, no voy al suelo
You better alone than in bad company does not hang out with friends
One minute they turn their backs They got your back when to say
They is not doing anything and fast When They smell are targeted
That marijuana Chavala Quickly When They try and say
Needed clear his name They do not even know you when
You got it down and low about Have Been Through It All

Cause I've seen it see it Then I call it talk bout You Probably
You opened them and there OSIC litters let you grab mitotero
Only pa leave another hole on Chale still talk bout me dale
Pa with the homies and motherless I let it
