Three Times Enough (Demo Version)

Nine Below Zero

I got home
At 8 o'clock
I wanted love
The door was lockedNow you been warned
I told you once, twice, three times and that's enough.If there's a man
Behind the door
I'm gonna gun
Him to the floorNow you been warned
About me gettin' rough
I told you once, twice, three times and that's enough.I told you once, I told you twice
I even tried, to tell you niceI told you once, I told you twice
You should'a took, my advice
I told you once, twice, three times and that's enough.InstrumentalI told you once, I told you twice
You should'a took, my advice
I told you once, I told you twice
I even tried, to tell you nice
I told you once, twice, three times
I told you once, twice, three times
I told you once, twice, three times and that's enough!
