

Loving You is Easy

Ben Rector

Loving you is elementary
It's easier than one two three
I passed school so consequently
It's coming so naturally

A is for all that you've done for me
Being with you is the only place I want to be
Seeing you is the only thing I want to see
Cause loving you is easy

1 cause you're the only one for me
2 is you and I and I hope you agree
3 is for the words that you're making me speak
I love you, it's so easy,
it's easy, it's easy
it's easy, oh loving you is easy

So let's not make this complicated
I never made the honor roll
Over thinking's overrated
And that's something you should know yea,
Let me count the reasons why

The hardest part is finding you
But once I did
I knew
Oh I knew
My love, let me count, let me count the,
let me count the reasons why
