

A Million Miles Away

Adam Jacobs & Courtney Reed

I don't want to know the reason why you don't love me

I don't want to know the reason why you don't care

I don't want to know the reason why you're leavin' me

I'm not the only one that lost my love way down there, way down there
I don't want to hear the reason why you
don't need me

I don't want to hear the reason why you don't stay

I don't want to hear the reason why you're seeing him

All I know is that I want you back but you're
A million miles away and it's killin' me inside
There's a stranger in a carriage and he's takin' her out tonight

The devil's ridin' on a full moon

And he sends his love when I'm a million miles away
I don't want to be the reason why you don't love me

And I don't want to be the reason why you don't care

I don't want to be the reason why you're leavin' me

I'm not the only one that lost my love
A million miles away and it's killin' me inside
There's a stranger in a carriage and he's takin' her out tonight

The devil's ridin' on a full moon

And he sends his love when I'm a million miles away

He sends his love and I'm a hundred million miles away
