

Never Give Up

[Sam Bailey](#)

Yeah
I need you more than I can say
it's been a long time anyway
yeah yeah
doesn't matter what we didn't say
stop counting all the mistakes
doesn't have to be too late
I'll never give up on you
I'll never give up on you
I'll never give up on you
I'll never give up on you
oh
this is now and that was then
we can make it back again
doesn't matter what we thought we knew
it doesn't matter cause it's not the truth
