

# Kicks & Bricks

Andrew W.k.

Do you all know what I'm talking about?  
Then get it up and let it come out  
'Cause it blows your mind  
And your life's too short so have a good time  
You want a have a party for life?  
Then bring it on and loose it tonight  
'Cause it blows your mind  
So just do what you want  
And just go, go, go, go, go  
Now everybody get your kicks up  
(Yo)  
Everybody get your kicks up  
(Get your kicks up, get your kicks up)  
Now get your bricks up  
(Yo)  
Mother, father, get your bricks up  
(Get your bricks up)  
Now everybody get your kicks up  
(Yo)  
Everybody get your kicks up  
(Get your kicks up, get your kicks up)  
Now get your bricks up  
(Yo)  
Mother, father, get your bricks up  
(Get your bricks up)  
Does anybody want to have fun?  
Get on up and get some  
'Cause it blows your mind  
And your life's to short so have a good time  
We're really getting out of control  
We're going to get funky up and they don't even know  
It blows your mind  
So just do what you want and just go  
Now everybody get your kicks up  
(Yo)  
Everybody get your kicks up  
(Get your kicks up, get your kicks up)  
Now get your bricks up  
(Yo)

Mother, father, get your bricks up  
(Get your bricks up)  
Now everybody get your kicks up  
(Yo)  
Everybody get your kicks up  
(Get your kicks up, get your kicks up)  
Now get your bricks up  
(Yo)  
Mother, father, get your bricks up  
(Get your bricks up)  
And whatever you do for fun, that's your thing  
And whatever you do for fun, that's your thing  
And whatever you do for fun, that's your thing  
And whatever you do for fun, that's your thing  
And whatever you do for fun, that's your thing  
And whatever you do for fun, that's your thing  
And whatever you do for fun, that's your thing  
And whatever you do for fun  
Now everybody get your kicks up  
(Yo)  
Everybody get your kicks up  
(Get your kicks up, get your kicks up)  
Now get your bricks up  
(Yo)  
Mother, father, get your bricks up  
(Get your bricks up)  
Now everybody get your kicks up  
(Yo)  
Everybody get your kicks up  
(Get your kicks up, get your kicks up)  
Now get your bricks up  
(Yo)  
Mother, father, get your bricks up  
(Get your bricks up)  
And if you really want to get with this  
Then get your kicks up  
(Yo)  
And get your bricks up  
(Yo)  
And if you really want to get with this  
Then whatever you do for fun, that's your thing  
And if you really want to get with this  
Then get your kicks up  
(Yo)  
And get your bricks up

(Yo)

And if you really want to get with this  
Then whatever you do for fun, that's your thing  
And if you really want to get with this  
Then get your kicks up

(Yo)

And get your bricks up

(Yo)

And if you really want to get with this  
Then whatever you do for fun, that's your thing  
And if you really want to get with this  
Then get your kicks up

(Yo)

And get your bricks up

(Yo)

And if you really want to get with this  
Then whatever you do for fun
