Until We Fall In

Amanda Marshall

La la la la la la, la la la la yeah owo yeah

Every junkie knows the fix wonÃƒÂ¢??t last
Strung out but the keeps on coppin'
Every politician with a shady past
Hopes a love child don't come knockin'
Every alcoholic swears "This drink's the last"
Every broker was a genius til the market crashed
Every gambler on a streak knows that he canÃƒÂ¢??t win
But he keeps on betting til the sky caves in

We can't breath under water
And we donÃƒÂ¢??t know how to swim
But we keep on rocking the boat
Until we fall in

La la la la la la

Every stand-up comic has a serious night
Every streetwalker's somebody's daughter
Every soldier in the warÃƒÂ¢??s got God on his side
And that's why we canÃƒÂ¢??t stop the slaughter
Every magazine cover has been retouched
Every generation swears ÃƒÂ¢??It won't happen to usÃƒÂ¢??
But it can and it will & we do & it does
You wanna know why? It's because

We canÃƒÂ¢??t breath under water
And we donÃƒÂ¢??t know how to swim
But we keep on rocking the boat
Until we fall in
Until we fall in

Yeah yeah

We should quit while weÃƒÂ¢??re ahead, instead
We wait to get knocked around
Cause you never need the lifeboat
Til the ship is going down

Well, look around

Every now and then life calls your bluff
You gotta walk the talk youÃƒÂ¢??re talking
Everybody wishes they could just shut up
But we just keep going on and on and on and on and on

We can't breathe under water
And we donÃƒÂ¢??t know how to swim
But we're crossing all our fingers, stripping down and diving in

We can't breathe under water
And we don't know how to swim
But we keep on rocking the boat
Until we fall in
Until we fall in

La la la la la la, la la la la yeah

Careful what youÃƒÂ¢??re wishing for, you just might get it
Live today 'cause if you don't you might live to regret it
That's all IÃƒÂ¢??m saying
