

Triumph Of A Heart

Bjork

The nerves are sending shimmering signals
All through my fingers, the veins support
Blood that gushes impulsively towards
The triumph of a heart that gives all, that gives all
The triumph of a heart that gives all, that gives all
The stubborn trunks of these legs of mine
Serve as pathways for my favorite fuel
Heading upwards towards my kidneys
The triumph of a heart that gives all, that gives all
The triumph of a heart that gives all, that gives all
Smooth, soft, red, velvety lungs
Are pushing a network of oxygen joyfully
Through a nose, through a mouth but all enjoys, all enjoys
The triumph of a heart that gives all, that gives all
The triumph of a heart that gives all, that gives all
The triumph of a heart that gives all, that gives all
The triumph of a heart that gives all, that gives all
