Like Me Real Hard

Mario

We've had such a great time in these past two months
I never laughed so much in my life
It's been all about us since that time we had
That intimate talkSuddenly your actin' strange
Plus your conversation just snapped and changed
Is it because you're afraid what you're feelin' for me
Is the beginning of a new heart break? Hear me when I sayYou ain't gotta give me your love
You ain't gotta say I'm your one
You ain't gotta tell me where you'll be
'Cause you ain't obligated to meI'm not sayin' that you should just
Rush and give me your heart
I'm just askin' that you
Like me real hard, just like me real hardYou know just like God know we've been broken by love
And we both need time to heal
That's why in this short amount of time
We've grown so close 'cause you relate everything I feelSo let's not complicate things by placing titles on you and I
But what we can do before we make the next move
We gotta find the perfect reason why
So believe me when I sayYou ain't gotta give me your love
You ain't gotta say I'm your one
You ain't gotta tell me where you'll be
'Cause you ain't obligated to meI'm not sayin' that you should just
Rush and give me your heart
I'm just askin' that you like me real hard
Just like me real hardYou ain't ready to fall in love
And I ain't ready to care so much
We ain't ready for commitment right now
But together we can work something outWhen the time is right
Because we will feel it in our hearts
It will be written in the stars
But for now just like me real hardYou ain't gotta give me your love
You ain't gotta say I'm your one
You ain't gotta tell me where you'll be
'Cause you ain't obligated to meI'm not sayin' that you should just
Rush and give me your heart
I'm just askin' that you like me real hard
Just like me real hardYou ain't gotta give me your love
You ain't gotta say I'm your one

You ain't gotta tell me where you'll be
'Cause you ain't obligated to meI'm not sayin' that you should just
Rush and give me your heart
I'm just askin' that you like me real hard
Just like me real hardI just want you to me, baby
Just want you to be my friend girl, oh yeah yeah
I'm not saying, no no
I'm just asking you that you like me real hard
