

Silver Bullet (Acoustic)

Hawthorne Heights

Tonight, we fly away so high.
Our first full moon sky.I'll breathe you in,
I won't let you down,
I won't hold your back,
I won't make a sound.I know what scared you the most.Being alone,
Just like them,
Being alive,
Feeling so...dead.At least you'll have my...heart
You know you shine so bright.Got a single silver bullet
Shot right through my heart.
To prove I can survive,
Without you.
Got a single silver bullet,
Shot right through my heart.
To prove I can survive,
Without you.Can you sleep at night,
If I hold you tight.
I won't let you go,
It feels so right.Please don't leave this...time.At least you'll have my...heart.
You know you shine sooo bright.Got a single silver bullet
Shot right through my heart.
To prove I can survive,
Without you.
Got a single silver bullet,
Shot right through my heart.
To prove I can survive,
Without you.Tonight, we fly away so high,
Tonight, We fly away.
You know the moon is full and,
I can't live without you.Tonight we'll fly away
(Got a single silver bullet)
Tonight we'll fly
(Got a single silver bullet)Got a single silver bullet
Shot right through my heart.
To prove I can survive,
Without you.
Got a single silver bullet,
Shot right through my heart.
To prove I can survive.Got a single silver bullet

(Tonight we'll fly away so high)
Shot right through my heart.
(Like a full moon sky)
To prove I can survive,
Without you. Got a single silver bullet,
(Tonight we'll fly away so high)
Shot right through my heart.
(Like a full moon sky)
To prove I can survive,
Without you.
