

Recoup This

Coolio

This is how we do it
This is how we do it
Last chance records, may I help you?
Oh, what's up girl?
Young nigga came over last night and guess what
He was a busta but hold on a second
Excuse me, may I help you?
Yeah, I wanna see Chester
I got an appointment with him
Won't you have a seat, he'll be with you shortly
Mr. Johnson, your 2:30 is here
Eh, send him in, damn, your showing a little good today girl
Mr Johnson will see you now
He hey, come on in here boy
See I told you, you was goin' be a star, didn't I?
Man, fuck being a star, I want some motherfucking money man
You owe me some money
Man, money, wha?
Man, my record went double platinum
What the fuck is you talkin' about
Let me
Fuck that
Aaw, you didn't have to shoot me
Yeah, muthafucka, now fuck that, it's too late for that shit
Aaw, you done shot Mr. Johnson
Shut up, bitch
