

Vice

Miranda Lambert

Sting of the needle dropping on a vinyl
Neon singer with a jukebox title full of heartbreak
33-45-78

When it hurts this good you gotta play it twice
Another vice All dressed up in a pretty black label
Sweet salvation on a dining room table
Waiting on me

Where the numb meets the lonely
Was gone before it ever melts the ice Another vice
Another call

Another bed I shouldn't crawl out of
It's 7am with shoes in my hand
Said I wouldn't do it but I did it again
And I know I'll be back tomorrow night I wear a town like a leather jacket
When the new wears off I don't even pack it
If you need me

I'll be where my reputation don't precede me
Maybe I'm addicted to goodbyes Another vice
Another town

Where my past can't run me down
Another life another call
Another bed I shouldn't crawl out of
It's 7am with shoes in my hand
Said I wouldn't do it but I did it again
And I know I'll be gone tomorrow night Another vice Standing at the sink not looking in the mirror
Don't know where I am or how I got here
Well the only thing that I know how to find
Is another vice
Mmm another vice

Another vice
Another vice
Another vice
Another vice
Another vice
