Born In a High Wind

Restless Heart

Broke down in a one horse town
Tryin' to get the money up to get a ride
I spent four days and a week's pay
Tryin' to figure out how to get away and leave it behind
Before I lose my mindYou know I can't wait to hit the interstate
Put the peddle down and open up the gate
I was born in a high high wind
I've been blowin' around ever sinceI had good job punchin' the clock
Making fourteen and a quarter in the union shop
I liked the pay but I couldn't stay
I heard that highway callin' and I had to get away
Ain't no roots on these cowboy bootsOne night I took a ride
And watched the city limits fading out of sight
I was born in a high high wind
I've been blowin' around ever sinceI travel light, rollin' through the night
Got my top down, got my engine right
I was born in a high high wind
I've been blowin' around ever sinceI was born in a high high wind
I've been blowin' around ever since
