

# Ghost (feat. Kristy Thirsk)

## Conjure One

I scream in silence, burning cold  
I'm in need of light, and I'm stone  
Life just echoes through my veins  
Till only a memory remains And I am wishing I could break through  
So I could breathe the same air as you  
I'm lost to the living  
I am nothing but a ghost to you  
Nobody rushing to my rescue  
Behind a barricade I can't undo  
I'm lost to the living  
I am nothing but a ghost to you  
Beyond the shadow, beneath the dust  
A heart is beating still, but only just  
Life just echoes through my veins  
Till only a memory remains And I am wishing I could break through  
So I could breathe the same air as you  
I'm lost to the living  
I am nothing but a ghost to you  
Nobody rushing to my rescue  
Behind a barricade I can't undo  
I'm lost to the living  
I am nothing but a ghost to you Till only a memory remains  
And I am wishing I could break through  
So I could breathe the same air as you  
I'm lost to the living  
I am nothing but a ghost to you  
Nobody rushing to my rescue  
Behind a barricade I can't undo  
I'm lost to the living  
I am nothing but a ghost to you I am nothing but a ghost  
I am nothing but a ghost  
I am nothing but a ghost to you
