Spasticus Autisticus

Ian Dury

I'm spasticus, I'm spasticus
I'm spasticus autisticus
I'm spasticus, I'm spasticus
I'm spasticus autisticus
I'm spasticus, I'm spasticus
I'm spasticus autisticus

I wiggle when I piddle
'Cos my middle is a riddle

I'm spasticus, I'm spasticus
I'm spasticus autisticus
I'm spasticus, I'm spasticus
I'm spasticus autisticus
I'm spasticus, I'm spasticus
I'm spasticus autisticus

I dribble when I nibble
And I quibble when I scribble

Hello to you out there in Normal Land
You may not comprehend my tale or understand
As I crawl past your window give me lucky looks
You can read my body but you'll never read my books

I'm spasticus, I'm spasticus
I'm spasticus autisticus
I'm spasticus, I'm spasticus
I'm spasticus autisticus
I'm spasticus, I'm spasticus
I'm spasticus autisticus

I'm knobbled on the cobbles
'Cos I hobble when I wobble

Swim!

So place your hard-earned peanuts in my tin
And thank the Creator you're not in the state I'm in
So long have I been languished on the shelf

I must give all proceedings to myself

I'm spasticus, I'm spasticus
I'm spasticus autisticus
I'm spasticus, I'm spasticus
I'm spasticus autisticus
I'm spasticus, I'm spasticus
I'm spasticus autisticus

54 appliances in leather and elastic
100,000 thank you's from 27 ... spastics

Spasticus, spasticus
Spasticus autisticus
Spasticus, spasticus
Spasticus autisticus
Spasticus, spasticus
Spasticus autisticus

Widdling, griddling, skittling, diddling, fiddling, diddling, widdling, diddling, spasticus

I'm spasticus, spasticus
Spasticus autisticus
Spasticus, spasticus
Spasticus autisticus
Spasticus, spasticus
Spasticus autisticus

Spasticus, spasticus
Spasticus autisticus

I'm spasticus!
I'm spasticus!
I'm spasticus!
I'm spasticus!
I'm spasticus!
I'm spasticus!
I'm spasticus!
Spasticus!
