

# Spasticus Autisticus

Ian Dury

I'm spasticus, I'm spasticus  
I'm spasticus autisticus  
I'm spasticus, I'm spasticus  
I'm spasticus autisticus  
I'm spasticus, I'm spasticus  
I'm spasticus autisticus

I wiggle when I piddle  
'Cos my middle is a riddle

I'm spasticus, I'm spasticus  
I'm spasticus autisticus  
I'm spasticus, I'm spasticus  
I'm spasticus autisticus  
I'm spasticus, I'm spasticus  
I'm spasticus autisticus

I dribble when I nibble  
And I quibble when I scribble

Hello to you out there in Normal Land  
You may not comprehend my tale or understand  
As I crawl past your window give me lucky looks  
You can read my body but you'll never read my books

I'm spasticus, I'm spasticus  
I'm spasticus autisticus  
I'm spasticus, I'm spasticus  
I'm spasticus autisticus  
I'm spasticus, I'm spasticus  
I'm spasticus autisticus

I'm knobbled on the cobbles  
'Cos I hobble when I wobble

Swim!

So place your hard-earned peanuts in my tin  
And thank the Creator you're not in the state I'm in  
So long have I been languished on the shelf

I must give all proceedings to myself

I'm spasticus, I'm spasticus  
I'm spasticus autisticus  
I'm spasticus, I'm spasticus  
I'm spasticus autisticus  
I'm spasticus, I'm spasticus  
I'm spasticus autisticus

54 appliances in leather and elastic  
100,000 thank you's from 27 ... spastics

Spasticus, spasticus  
Spasticus autisticus  
Spasticus, spasticus  
Spasticus autisticus  
Spasticus, spasticus  
Spasticus autisticus

Widdling, griddling, skittling, diddling, fiddling, diddling, widdling, diddling, spasticus

I'm spasticus, spasticus  
Spasticus autisticus  
Spasticus, spasticus  
Spasticus autisticus  
Spasticus, spasticus  
Spasticus autisticus

Spasticus, spasticus  
Spasticus autisticus

I'm spasticus!  
Spasticus!
