

The Heart of Worship

Praise and Worship

When the music fades
And all is stripped away
And I simply come
Longing just to bring
Something that's of worth

That will bless Your heartI'll bring You more than a song

For a song in itself

Is not what You have required
You search much deeper within
Through the way things appear

You're looking into my heartI'm coming back to the heart of worship

And it's all about You, it's all about You, Jesus

I'm sorry, Lord, for the thing I've made it
It's all about You, JesusA King of endless worth

No one could express

How much You deserve

Though I'm weak and poor

All I have is Yours

Every single breathI'll bring You more than a song

For a song in itself

Is not what You have required
You search much deeper within
Through the way things appear

You're looking into my heartI'm coming back to the heart of worship

And it's all about You, it's all about You, Jesus

I'm sorry, Lord, for the thing I've made it

And it's all about You, it's all about You, JesusI'm coming back to the heart of worship

And it's all about You, it's all about You, Jesus

I'm sorry, Lord, for the thing I've made it

And it's all about You, it's all about You, JesusOh, it's all about you

Oh, it's all about youIt's all about you

It's all about you

It's all about you

It's all about you

It's all about you

This is all about you, ohSing now for this

It's all about you

It's all about you

It's all about you

It's all about you I'm coming back
I'm coming back to the heart of worship
It's all about you, it's all about You, Jesus
I'm sorry, Lord, for the thing I've made it
It's all about You, it's all about You, Jesus
