The Rhythm

MNEK

If I let the rhythm get to me
Then I don't know what I would be
Think I just might lose my mind
If I let the rhythm get to me,
It will take all of me
I'll lose track of space and timeOh yeah yeah yeah yeah yeah yeah yeah, fever pitch
Just like a shot running through my veins
Oh yeah yeah yeah yeah yeah yeah yeah, flick the switch
And you'll ignite an eternal flameIf I let the rhythm get to me
Then I don't know what I would be
Think I just might lose my mind
If I let the rhythm get to me,
It will take all of me
So I cannot go this time
(This time)Break it down like this
(Oh)
(Oh)If I let the rhythm get to me (Oh)
If I let the rhythm get to me (Oh)If I let the rhythm get to me
Then I don't know what I would be
Think I just might lose my mind
And when it takes over me,
It starts emotionally
I lose myself in flashing lightOh yeah yeah yeah yeah yeah yeah yeah, no escape
It seems to be everywhere I go
Oh yeah yeah yeah yeah yeah yeah yeah, it's my fate
It's like you want to lose controlIf I let the rhythm get to me (Oh)
If I let the rhythm get to me (Oh)
If I let the rhythm get to me, ohIt's the sweetest sensation
That I have ever known
If he's a beast, I need saving
The feeling only grows
So I know what I need whenever I hear that beat
It's a whirlwind, it's so sublime
But if I let the rhythm get to me
I have no clue what I'll be
Baby, I think I'll lose my mind
(Lose my mind)If I let the rhythm get to me (Oh)
If I let the rhythm get to me (Oh) (Yeah yeah)
If I let the rhythm get to me (Oh) (Let this rhythm)

If I let the rhythm get to me (Oh) (Yeah yeah)
If I let the rhythm get to me
