Peach Mirror

together PANGEA

Short nights and shorter days
I spend myself and there's nothing savedLost, lonely, and high
Lost, lonely, and highI know nothing has been safe
but at twenty-five all the fucks I gaveLost, lonely, and high
Lost, lonely, and highBreak necks at break neck speeds,
it's ok to spread the disease
Awful is as awful does, It's all because I'm
Lost, lonely, and high
Lost, lonely, and highIs this your place I'm just visiting,
I scrape my face and I pick my kneesLost, lonely, and high
Lost, lonely, and highSpring is in your crystal vase
but right outside is a fiery wasteLost, lonely, and high
Lost, lonely, and high
Break necks at break neck speeds,
it's ok to spread the disease
Awful is as awful does,
It's all because I'mLost, lonely, and high
