Fantastic Gymnastics

Dora the Explorer

Fantastic gymnastics
We gotta find the rainbow ribbon
Fantastic gymnastics
We need the ribbon to begin!
Everybody! Letâ€™s begin!
Weâ€™re gonna find the ribbon
We need it for the gymnastics show today
On our way, friends will see
Might need some help finding things
Come on along and help us find them so we can play!
Fantastic gymnastics
We gotta find the rainbow ribbon
Fantastic gymnastics
We need the ribbon to begin!
Hey! Thereâ€™s Nelly!
She wants something to spin in a loop
Whatâ€™s she missing?!
A bike or a hoop?
. . .
SÃ-! Itâ€™s a hoop!
Fantastic gymnastics
We gotta find the rainbow ribbon
Fantastic gymnastics
We need the ribbon to begin
and thereâ€™s Tico!
He needs something to kick in a goal
Does he need a ball or a fishing pole?
. . .
A ball, right!
Fantastic gymnastics
We gotta find the rainbow ribbon
Fantastic gymnastics
We gotta find the rainbow ribbon
We need the rainbow ribbon to begin!
YAY!
