Controlla

Alex Aiono

My eye just changed
You just buzzed the front gate
I thank God you came
How many more days could I wait?
I made plans with you
And I won't let 'em fall through
I, I, I, I, II think I'd lie for you
I think I'd die for you
Jodeci "Cry For You"
Do things when you want me to
Like controlla, controlla
Yeah, like controlla, controllaYeah, okay, you like it
When I get, aggressive, tell you to
Go slower, go faster
Like controlla, controlla
Yeah, like controlla, controllaYeah uh, last time I sang in spanish now I hit a verse
I'm tryna kill the game better get a hearse
You body so flame, you never need propane
I'm 'bout to start calling you Rihanna for putting me to work
Work work work work
I love the way you look when you're rocking my shirt
Especially when you move like controlla
You're going faster and slower and I don't like it I love it that's why I'm pulling you closer
We get to kissin and touchin
You make it so hard to focus
Baby you got my attention
And it's so hard cuz you know it like uhAnd I'm never on a waste ting shawty
I do it how you say you want it
Them girls, they just wanna take my money
They don't want me to give you nothing
They don't want you to have nothing
They don't wanna see me find your lovin'
They don't wanna see me
Smiling back when they preeKnowing I'd lie for you
Thinking I'd die for you
Jodeci "Cry For You"
Do things when you want me too
Like controlla, controlla
Yeah, like controlla, controlla
