

# Controlla

## Alex Aiono

My eye just changed  
You just buzzed the front gate  
I thank God you came  
How many more days could I wait?  
I made plans with you  
And I won't let 'em fall through  
I, I, I, I, II think I'd lie for you  
I think I'd die for you  
Jodeci "Cry For You"  
Do things when you want me to  
Like controlla, controlla  
Yeah, like controlla, controlla Yeah, okay, you like it  
When I get, aggressive, tell you to  
Go slower, go faster  
Like controlla, controlla  
Yeah, like controlla, controlla Yeah uh, last time I sang in spanish now I hit a verse  
I'm tryna kill the game better get a hearse  
You body so flame, you never need propane  
I'm 'bout to start calling you Rihanna for putting me to work  
Work work work work  
I love the way you look when you're rocking my shirt  
Especially when you move like controlla  
You're going faster and slower and I don't like it I love it that's why I'm pulling you closer  
We get to kissin and touchin  
You make it so hard to focus  
Baby you got my attention  
And it's so hard cuz you know it like uh And I'm never on a waste ting shawty  
I do it how you say you want it  
Them girls, they just wanna take my money  
They don't want me to give you nothing  
They don't want you to have nothing  
They don't wanna see me find your lovin'  
They don't wanna see me  
Smiling back when they pree Knowing I'd lie for you  
Thinking I'd die for you  
Jodeci "Cry For You"  
Do things when you want me too  
Like controlla, controlla  
Yeah, like controlla, controlla
