Touch (Radio Edit)

MOTHXR

You're close to me
I'm under you
Such a little girl
A woman tooShe comes cause she needs it
A dress in black stand in the back girl
Matter of fact she's a good bad girl
She's there when I need itWe're changing forms
I'm losing you
You're black and blue
Don't look back she's just a sad girlMatter fact man it's a mad world
You're trembling / I like it too
And we're never gonna get us enough of it
What did we uncoverDress in black remember that one
Can't take it back like I never had fun
If only I could touch her
We're changing forms
I'm losing you
You're black and blueOnly when I touch her
Let me sink
Let me sink my teeth in
Let her sink
