

Keeping Your Head Up

Birdy

[Birdy]

Times that I've seen you lose your way...
You're not in control and you won't be told!
All I can do to keep you safe is hold you close
Hold you close til you can breathe on your own
Til you can breathe on your own(Hold tight) you're slowly coming back to life
I'll be keeping your head up
I'll be keeping your head up, darling
Let go of all your haunted dreams tonight
I'll be keeping your head up
I'll be keeping your head up, darling(Hold tight) you're slowly coming back to life
I'll be keeping your head up
I'll be keeping your head up, darling
Let go of all your haunted dreams tonight
I'll be keeping your head up
I'll be keeping your head up
And I won't let you downEveryone keeps a darker place
To lose control, you're not alone
And when you come looking for embrace
I know your soul; I'll be your home
Til you can breathe on your own
Til you can breathe on your own(Hold tight) you're slowly coming back to life
I'll be keeping your head up
I'll be keeping your head up, darling
Let go of all your haunted dreams tonight
I'll be keeping your head up
I'll be keeping your head up, darling
Hold tight; you're slowly coming back to life
I'll be keeping your head up
I'll be keeping your head up, darling
Let go of all your haunted dreams tonight
I'll be keeping your head up
I'll be keeping your head up
And I won't let you downYou never think that you can fly
You'll always swim against the tide
Don't you know your pain is mine?
And I would die a thousand times to ease your mind
To ease your mind(Hold tight) you're slowly coming back to life
I'll be keeping your head up

I'll be keeping your head up, darling
Let go of all your haunted dreams tonight
I'll be keeping your head up
I'll be keeping your head up, darling
Hold tight; you're slowly coming back to life
I'll be keeping your head up
I'll be keeping your head up, darling
Let go of all your haunted dreams tonight
I'll be keeping your head up
I'll be keeping your head up
And I won't let you down
