

# You Are The Only One (interlude)

112

You are the only one for me  
Well, well, well  
And everything that I do is for you and me  
So never leave, lemme breathe  
(I can't breathe without you)  
Just stay with me  
Oh, 112, tell me some  
You are the only one for me, babe  
And everything that I do is for you and me  
(Everything that I do is one for you)  
So never leave, never leave  
Just stay with me  
I don't want nobody else  
You are the only one for me, babe  
And everything that I do is for you and me  
So never leave, never leave  
Just stay with me, stay with me  
You are the only one for me, babe  
And everything that I do is for you and me  
So never leave, stay with me, just stay with me, stay with me  
You are the only one for me, babe  
And everything that I do is for you and me  
So never leave, just stay with me, stay with me  
(Everything I do, I do, I do for you)  
Nobody's fault but mine  
Nobody's fault but mine
