

Kum Gibi

Ahmet Kaya

Turkish original lyrics:

Kum gibi Martılar aglardi copluklerde
Biz seninle gulusurduk
Sehirlere bombalar yagardi her gece
Biz durmadan sevisirdik Acimasiz olma simdi bu kadar
Dun gibi dun gibi cekip gitme
Birak da sarilayim ayaklarina
Kum gibi kum gibi ezip gecme Sonbahar damlardi damlarimiza
Biz seninle sararirdik
Aydinlansin diye su kirli yuzler
Biz durmadan savasirdik Acimasiz olma simdi bu kadar
Dun gibi dun gibi cekip gitme
Birak da sarilayim ayaklarina

Kum gibi kum gibi ezip gecme English translate lyrics:

LIKE SAND The gulls used to cry in the garbage dump.

We were smiling with you.

The bombs used to drop in the city every night.

We used to make love without stopping. Now don't be so cruel.

Don't go away like yesterday, yesterday.

Let me hug, let me be wrapped around your feet.

Don't crush(mash) me like sand. The fall(autumn) used to drip on our drop.

We used to turn yellow with you

in order to illuminate(clean) these dirty faces.

We used to fight without stopping.
