

# People Got To Be Free

## The Rascals

All the world over, so easy to see  
People everywhere just wanna be free  
Listen, please listen, that's the way it should be  
Peace in the valley, people got to be free You should see, what a lovely, lovely world this would be  
If everyone learned to live together  
It seems to me such an easy, easy thing this would be  
Why can't you and me learn to love one another Now all the world over, so easy to see  
People everywhere just wanna be free  
I can't understand it, so simple to me  
People everywhere just got to be free If there's a man who is down and needs a helping hand  
All it takes is you to understand and to put him through  
Seems to me, we got to solve it individually  
And I'll do unto you what you do to me There'll be shoutin' from the mountains on out to sea  
No two ways about it, people have to be free  
Ask me my opinion, my opinion will be  
It's a natural situation for a man to be free Oh, what a feelin's just come over me  
Enough to move a mountain, make a blind man see  
Everybody's dancin', come on, let's go see  
Peace in the valley, now they all can be free Look, you see that train over there?  
Now that's the train of freedom  
It's about to arrive any minute, now  
You know it's been a long, long overdue  
Look out, 'cause it's comin' right on through
