

Now That We Found Love

Heavy D

Yeah (yeah-eah)

(Now that we found love what are we gonna do)

What are we gonna do (with it) with it

(Now that we found love what are we gonna do)

Hey-eay (with it)

(Now) One two, tell me what you got

Let me slip my quarters inside your slot to hit the jackpot

Rev me up rev me up

My little buttercup

We can tug sheets snuggle up and get stuck

Believe it or not

Here comes the brother with glow

A strugglin', bubblin' overweight lover hurt prone

So what's it gonna be

Me or the TV

Now let me take time to set your mind and your body free

(Now) So why don't you just stretch

Stretch for a sec

Played stretch so I could cop a quick rec

Shake me, Shake me

Baby baby bake me

No need to fake here I am

Come on and take me

Wind your body

Baby move your body

I see you slip sliding

Come on now do it hottie

I'm not quite sure as to what is going down

But I'm feeling Hunky Dory

'Bout this thing that I found

(Now that we found love what are we gonna do with it)

(Now that we found love what are we gonna do with it)

Come on Heavy, come on Heavy

(Now) I dig the way you wiggle

You don't jiggle

Once you jiggle

So hand over your love
'Cause it's heavier
Than it'll
Move her like a mover
She wanted to groove so I grooved her
Then she wanted to learn so we did school
And I schooled her
(Now) Mary had a little lamb
But not like this
We can waltz and turn
Rumble tumble and twist
Then you think you gonna give in
Fantasies relivin'
So lay down and relax
Yeah baby, that's it

(Now) Lover my lady
Lady love of my baby girl
Spread your wings
So we can fly around the world
Harmony, charm of me
Your fingertips are callin me
When you drop me kisses
You're so cute you drop the bomb on me

(Now) Stretch it, stretch it
Flex it, flex it
Gimme the permission
Okey, dokey
I'll bless ya
Blessin' like buddha
Buddha as the bless
You can lay down on the lover
Put your head on my chest (now that we)

(Now that we found love what are we gonna do)
What are we gonna do uh, yeah (with it) with it, uh
(Now that we found love what are we gonna do)
Come on and tell me (with it) TR, get em up one time

(Now) Uh, keep it funky
Yeah (keep it smooth) like this
(Now) Uh, here we go
(Now) What can we do
What are we gonna do

Roses are red and Violets are blue
Love is good and plenty
If you get plenty good lovin'
Kiss you where you're hot
To what I got to keep you bubblin'

(Now) Do me right
Do me right
My lonesome dove
Tell me one more time
What is this thing called love
I'm not quite sure
As to what is going down
'Bout this thing that I found [yeah]
But I'm feeling Hunky Dory

(Now that we) now that we (found love
What are we gonna do) girl tell me tell me
(With it) what are we gonna do with this
Teddy Riley in the house
(Now that we found love) see'mon, see'mon (what are we gonna do)

(With it) let's flex

(Now that we found love) see'mon, see'mon (what are we gonna do)
Yeah tell me somebody got to tell me (with it) and you don't stop, keep it on
(Now that we found love) I need to know see'mon, see'mon (what are we gonna do)
Somebody got to tell me, got to tell me yeah (with it)

What are we gonna do with this love, oh sweet love yeah (oh love) see'mon
Oh yeah, uh, shake it, shake it

(Now) All up in money
My furnish was decades

Oakland, Bronx, Queens, Manhattan
(What are we, what are we gonna do)
The whole New York City

I said I love you to death
And you don't stop

You got keep it on to the dip dip
Do it like this
And you don't stop
