

Mocking Bird (2002 Remaster)

Barclay James Harvest

Rain, sea, surf, sand, clouds and sky
Hush, now baby don't you cry There's a mocking bird
Singing songs in the trees
There's a mocking bird
Singing songs just for you and me Rain, sea, surf, sand clouds and sky
Time will see your tears run dry There's a mocking bird
Singing songs in the trees
There's a mocking bird
Singing songs just for you and me There's a mocking bird
Singing songs in the trees
There's a mocking bird
Singing songs just for you and me Rain, sea, surf, sand, clouds and sun
Bless the tears of love, now gone There's a mocking bird
Singing songs in the trees
There's a mocking bird singing songs
Singing just for you and me
