

U Use To Call Me

Erykah Badu

[Intro]

(You used to call me)

Ugh, man

You're so beautiful[Verse: Drake]

Look I'm about to go in

I'm gonna get inside these bitches head like a sew in
Post to drop in Halloween but really I don't know when

I take all the W's I can get and you get no wins

Yeah, Erykah on my hotline

Recognition from a great, man, it's about time

Fanbase growin' at a steady pace

I don't talk unless the money straight

Look I do it for the music man, the money just a bonus

Everybody that I know is still rap personas

Niggas comin' out the wood works like they Louie

My hair's longer than the twist in the movies

Real niggas wassup[Outro]

(You used to call me)

(Yeah, yeah, yeah)

(You used to call me)

(Yeah, yeah, yeah)

(You used to call me)

(Yeah, yeah, yeah)

(You used to call me)

(Yeah, yeah, yeah)

(You used to call me)

(Yeah, yeah, yeah)

(You used to call me)

(Yeah, yeah, yeah)
