

4 In The Morning

Gwen Stefani

Wakin' up to find another day
The moon got lost again last night
But now the sun has finally had its say
I guess I feel alright
But it hurts when I think
When I let it sink in, it's all over me
I'm lyin' here in the dark
I'm watchin' you sleep, it hurts a lot
And all I know is
You've got to give me everything
Nothing less 'cause
You know I give you all of me
I give you everything that I am
I'm handin' over everything that I've got
'Cause I wanna have a really true love
Don't ever wanna have to go and give you up
Stay up till four in the mornin' and the tears are pourin'
And I want to make it worth the fight
What have we been doin' for all this time?
Baby, if we're gonna do it, come on do it right
All I wanted was to know I'm safe
Don't want to lose the love I've found
Remember when you said that you would change
Don't let me down
It's not fair how you are
I can't be complete, can you give me more?
And all I know is
You've got to give me everything
Nothing less 'cause
You know I give you all of me
I give you everything that I am
I'm handin' over everything that I've got
'Cause I wanna have a really true love
Don't ever wanna have to go and give you up
Stay up till four in the mornin' and the tears are pourin'
And I want to make it worth the fight
What have we been doin' for all this time?
Baby if we're gonna do it, come on do it right
Oh please, you know what I need

Save all your love up for me
We can't escape the love
Give me everything that you have
And all I know is
You've got to give me everything
Nothing less 'cause
You know I give you all of me
I give you everything that I am
I'm handin' over everything that I've got
'Cause I wanna have a really true love
Don't ever wanna have to go and give you up
Stay up till four in the mornin' and the tears are pourin'
And I want to make it worth the fight
What have we been doin' for all this time?
Baby if we're gonna do it, come on do it right
Give you all of me
Give you everything
Give you all of me
