

In Love We Grow

Rufus

We go on and on
From dawn to dawn
The years have flown
Much faster than we know
And still in love, we grow
Time has placed us here
Afraid of fear
We've seen through tears
That never should have flown
And still in love, we grow
Like a baby dove
Our love, in time
It's snowy wings unfold
To soar above
I'll stay another hour, another day
My whole life
As long as I feel this way
I'll stay with you and know
As long as I feel this way
In love, we'll grow
