Again and Again

Cock Sparrer

Hey, people down the street don't know what's goin' on.
They don't know where I'm going.
They don't know where I'm from.
I've got no time to explain to them.
They only ask me again and again and again.
Said I've got no time to explain to them...
They only ask me again and again and again.I'm gonna lock myself in
and get outta my head.
I've got another empty bottle,
got another empty bed.
I've got no time to explain to them.
They only ask me again and again and again.
Said I've got no time to explain to them,
they only ask me again and again and again.
Oh, and again and again!I'm gonna lock myself in
and get outta my head.
I've got another empty bottle,
got another empty bed.
I've got no time to explain to them.
They only ask me again and again and again.
Said I've got no time to explain to them,
they only ask me again and again and again.
I said I've got no time to explain to them,
they only ask me again and again and again.
