

# Scapegoat

## Chumbawamba

After shave and smoke, and the same old unfunny jokes  
They say they'll take you anywhere but there  
Believe every half whispered, half remembered lie  
Where truth is a luxury they can't afford to buyScapegoat, looking for a scapegoat  
Scapegoat, looking for a scapegoat  
There's always someone else for you to blame  
There's always someone else for you to blameBacked into a corner he barricades his life  
Fastens up the shutters every night  
This island is big enough for every castaway  
But most of us are looking 'round for someone else to blameScapegoat, looking for a scapegoat  
Scapegoat, looking for a scapegoat  
There's always someone else for you to blame  
There's always someone else for you to blame  
There's always someone else for you to blame  
There's always someone else for you to blameThere's always someone else for you to blame  
There's always someone else for you to blame  
There's always someone else for you to blame  
There's always someone else for you to blame  
There's always someone else for you to blame  
There's always someone else for you to blame
