

Confession

Collective Soul

I'm not a man that floats around
See I'm a man that knows what he's found

Oh no It's you
I want a lover like you
Under covers with you
Stoned or sober
Yeah I want a lover

Only want a lover like you I'm not a man that sneaks through the night
See I'm a man that knows what he likes

Oh no It's you
I want a lover like you
Under covers with you
Stoned or sober
Yeah I want a lover

Only want a lover like you I want a lover like you
Under covers with you
Stoned or sober
Yeah I want a lover

Only want a lover like you Won't bring me down
You won't bring me down, girl
Now I won't bring you down

I won't bring you down
I only want a lover
I only want a lover

Only want a lover like you Yeah you

I want a lover like you
Under covers with you
Stoned or sober
Yeah I want a lover

Only want a lover like you I want a lover like you
Under covers with you
Stoned or sober

Yeahh I want a lover
Only want a lover like you
Like you, like you
Only want a lover
Only want a lover
Only want a lover like you
