

Sweet Harmony

The Beloved

Is it right or wrong
Try to find a place
We can all belong?

Be as one

Try to get on by

If we unify

We should really try...

All this time

Spinning round and round

Made the same mistakes

That we've always found

Surely now

We could move along

Make a better world?

No it can't be wrong

Let's come together

Right now

Oh yeah

In sweet harmony

Time is running out

Let there be no doubt

We should sort things out

If we care

Like we say we do

Not just empty words

For a week or two

Make the world

Your priority

Try to live your life

Ecologically

Play a part

In a greater scheme

Try to live the dream

On a wider scene

Let's come together

Right now

Oh yeah
In sweet harmony
