

Louisiana 1927

[Aaron Neville](#)

What has happened down here is the wind have changed
Clouds rolled in from the north and it started to rain
It rained real hard and it rained for a real long time
Six feet of water in the streets of Evangeline The river rose all day, the river rose all night
Some people got lost in the flood, some people got away alright
The river had busted through clear down to Plaquemine
Six feet of water in the streets of Evangeline Louisiana, Louisiana
They're trying to wash us away, they're trying to wash us away
Oh, Louisiana, Louisiana
They're trying to wash us away, they're trying to wash us away President Coolidge come down in a railroad train
Little fat man with a notepad in his hand
President say, "Little fat man, oh, isn't it a shame
What the river have done to this poor farmer's land"
