"Four Kicks"

Kings of Leon

Huffman don't take no nonsense He's here to rectify He's got his black belt buckle And the red man's fire in his eyeYou with your switchblade posse I'll get my guns from the south We'll take to the yard like a cock fight Four kicks who's strutting now? This party is overrated But there ain't shit else to do She's a lovin' on a boy from the city I'll be lovin' him under my shoeYou with your switchblade posse I'll get my guns from the south We'll take to the yard like a cock fight Four kicks who's strutting now?You with your switchblade posse I'll get my guns from the south We'll take to the yard like a cock fight Four kicks who's strutting now?
