

Love Song

Missez & Pimp C

Boy you make me wanna sing you a love song I'm still smocking out

Pouring up

Making young girls bust they nuts

Old school

Straight pro

Make em get down on the floor

I'm gonna keep it gangsta with you

I'm gonna beat it up

Pay ya daddy well

I'm gonna let a trick eat it up

When you saw me in the club

I was off in pimp mode

Pimp juice

Gator shoes

Mac clothes

I caught your eye

You caught my eye

Its all the same

Lets put this thang together

Mama lets do this damn thang

Stepped into the club

The bass beat is so loud

Boy i see you peepin me

Through the smoke cloud

Gotta play it off

Gotta keep my cool

I gotta know your name

Cause I'm feeling you

So i walked up to you slow

Said baby would you like to get to know me

Then you put yo hands up on my body

Baby don't let go

Anything you want boy you can have

I'm yours

Oh, oh

Come on baby give it to me

Just like that

Boy you know exactly what i need from you

yeah you really turn me on

Boy you make me wanna sing you a love song
Temperature's rising
You got me hoping that your love is hypnotizing
To the next level boy
With you is where i wanna go
But if I'm moving to fast
baby just let me know (let me know)
Theres something bout the way you move that makes me wonder
How you work it
Because my sheets are what your under
Don't stop cause i like what you doing babe
Keep it going Right there
You make me wanna say I'd like to see you you open up
And let me in
get all freaky in the Benz
Cat-a-corna
Legs up
That's the way we like to fuck
Got a million ways
When I'm on a maze
Straight up smocking purple haze
Get down on it
Let me see it
I'm ya daddy girl let me beat it
You my private dancer girl
I'm gonna put this thang up in ya world
Get you nut
Just like a squirrel
No powder
No fur
Just a bunch of spanky danky
Just a little bit of hanky panky
Pimp c
The dick ain't free
You riding with the best
If you fucking wit me Oh, oh Boy you make me wanna sing you a love song
