

Calling Sarah

Jellyfish

I know it sounds unfair
She's like a painting standing there
I thank the Heavens up above
For the one that I'm thinking of Calling Sarah
Crawling back to Sarah
'Cause you're the one Sometimes it's awful hard to take
The way she takes me all the way
She's delicious beyond compare
I'd love to tell her but instead I stare Calling Sarah
Crawling back to Sarah
'Cause you're the one Calling Sarah
Crawling back to Sarah
'Cause you're the one And when you ask me if I really love you
I can't wait to tell you
And if you ever feel you don't believe me
And don't you trust your feeling
'Cause it'd be so hard to take when you're away
I wouldn't last one day That's why I'm calling Sarah
Crawling back to Sarah, Sarah Calling Sarah
(That's why I'm calling)
Crawling next to Sarah Calling Sarah
(And when you ask me if I really missed you)
(I can't wait to tell you)
Crawling back to
Cause you're the one
