

# Living for the Weekend (Radio Edit)

## Hard-FI

Oh, I've been working a week, I'm tired  
Yeah, I've been working a week and I'm  
Just living for the weekend

Hey, hey  
I got some money I just got paid  
Got some money and I can't wait  
At six o'clock, I'm out of here

Out there tonight  
Is the night of my life, got my name on  
Run down my street, adidas on my feet  
I'm on fire

Working all the time, work is such a bind  
Got some money to spend, living for the weekend  
When it gets too much, I live for the rush  
Got some money to spend, living for the weekend

Oh man  
Yeah I've been working a week, I'm shot  
Yeah I've been working a week for what?  
Just living for the weekend  
Ah shit  
So my clothes are all counterfeit  
So my name isn't on the list

'No, you can't come in, so go home boys!'

Slip round the back, look at that  
There's a cracked toilet window  
Drop to the floor, covers us through the door  
I'm on fire

Working all the time, work is such a bind  
Got some money to spend, living for the weekend  
When it gets too much, I live for the rush  
Got some money to spend, living for the weekend

Can you feel it?

Feel the pressure, rising  
Pushing down on me, oh lord

Pressure, pressure, pressure, pressure, pressure  
Feel the pressure  
Pressure, pressure, pressure, pressure, pressure

Living for the weekend [x7]

Iâ€™m living for the weekend  
Going out tonight, going out tonight  
Baby, you and I are going out tonight  
[Repeat x4]
