Touch Me Now

Stephanie Mills

When I'm sad, when I'm blue
All the wealth in the world just won't do
What I need your heart, the key
Oh, won't you give it to meNow I don't need another diamond ring
'Cause diamonds to me, they are not everything
You make me smile at the glow in your eyes
Oh baby, please, make it rightBaby, baby, touch me now
Make me feel alright, you are mine
Sugar, hold me, come on, touch me now
Make me feel alright, you are mineDon't you know what I go through
Wondering where you are
I'm helplessly in love with youWhy are you hesitating?
I'm here, I'm here waiting, oh, baby, babyBaby, baby, please touch me now
Make me feel alright, you are mine, mine
Sugar, hold me, touch me now
Make me feel alright, you are mineWhen I'm gone and all through the day
Thoughts of you never fade away
But my need won't let me beA hugging and kissing
Is what I've been missing
I don't like it
When you're not here with meTouch me, make me alright, baby
Don't you know that
When I'm gone and all through the day
The thoughts of you never, never fade awayBaby, baby touch me now
Make me feel alright, you are mine
Sugar, hold me, so touch me now
Make me feel alright, you are mineBaby, baby, baby
Sugar, sugar, sugar
Touch me now
Make me feel alright, you're on my mindSugar, sugar, sugar
Baby, hold me, I'm helpless
I want you, I need you, you are mineBaby, baby, baby
Touch me now
Make me feel alright, you are mine
