Ours

Donny Osmond

Ours, a love that's yours and mine
Until the end of time, always on my mind
Ooh, at times, the feeling that we share
I know the way you care, ours is always there
Just let it be always together, you and me
Throughout the land, walking together hand in hand
We understand that
Ours, ours will long endure
Ours belongs for sure
Ours forever more
Throughout the land, walking together hand in hand
We understand that
Ours, ours will long endure
Ours belongs for sure
Ours forever more, ours forever more
Ours forever more
