

Drive to Dallas

The Fiery Furnaces

If I see you tomorrow I don't know what I will do
If I see you tomorrow I don't know what I will do
I'm not going to cut my hair or run around the block
I'm not going to drive to Dallas with blurry eyes ever again
With windshield wipers that can't wipe away my
tears, oh no
And everything I own piled up in the backseat
With a speeding ticket from that speed trap town
The one that got my license revoked
But I never got pulled over, never got questioned
No, I never got pulled over, never got questioned
I still drove all around, all around, all around without it
If I see you tomorrow I don't know what I will do
If I see you tomorrow I don't know what I will do
I'm not going to cut my hair or run around the block
I'm not going to drive to Dallas with blurry eyes ever again
No, tomorrow'd be the day I drive up to Dallas
With red eyes, blurry eyes and dull wipers that no don't work
Everything piled up in the backseat so I can't use the mirror
You said we had unfinished business but it's finished now
You said we had unfinished business but it's finished now
You said we had unfinished business but it's finished now
If I see you tomorrow I don't know what I will do
If I see you tomorrow I don't know what I'll do
If I, if I, I don't know
If I, if I, I don't know, I don't know, I don't know, I don't know
If I see you tomorrow I don't know what I'll do
If I see you tomorrow, if I see you tomorrow
If I see you tomorrow I don't know what I'll do
I don't know what I will do if I see you tomorrow
What I will do, I don't know what I'll do
I, I, I, I, I, I don't know
I don't know what I'll do
If I see you tomorrow I don't know what I will do
If I see you tomorrow I don't know what I will do
I'm not going to cut my hair or run around the block
I'm not going to drive to Dallas with blurry eyes ever again
I'm not going to cut my hair or run around the block
I'm not going to drive to Dallas with blurry eyes ever again
