

# Whistle While You Work It

## Katy Tiz

My day one rule  
Is keeping my cool  
Even if I'm broken up  
If you blow my high  
You won't see me cry  
Gotta whistle while you work itThat's why you gotta  
Never let them see you down, see you down  
Whoa o whoa, yeah  
Gotta smile while you're hurting  
And whistle while you work it  
Whistle while you work it  
Gotta smile while you're hurting  
Just whistle while you work itRain rain go away  
I can feel a cloud hangin' over me, over me  
Same shit different day  
Do they get a kick outta pushin' me, pushin' meGot lost in my head  
Then my brother said  
Take a breath, don't you worry child  
Cause you know where ya from  
So keep moving on  
And go throw on a Chelsea smileMy day one rule  
Is keeping my cool  
Even if I'm broken up  
If you blow my high  
You won't see me cry  
Gotta whistle while you work itThat's why you gotta  
Never let them see you down, see you down  
Whoa o whoa, yeah  
Gotta smile while you're hurting  
And whistle while you work it  
Whistle while you work it  
Gotta smile while you're hurting  
Just whistle while you work itBrush brush, brush it off  
I will never let this shit weigh me down, weigh me down  
Don't cry, dry your eyes  
Keep your chin up and leave it all behind, all behindGot lost in my head  
Then my brother said  
Take a breath, don't you worry child  
Cause you know where ya from

So keep moving on  
And go throw on a Chelsea smile  
My day one rule  
Is keeping my cool  
Even if I'm broken up  
If you blow my high  
You won't see me cry  
Gotta whistle while you work it  
That's why you gotta  
Never let them see you down, see you down  
Whoa o whoa, yeah  
Gotta smile while you're hurting  
And whistle while you work it  
Tune out of your darker side  
Regret, revenge, will eat you up inside  
Head up, work that dignity  
Let it bounce, let it fly, and make them history  
If you put in work, whistle while you work it  
If you put in work, whistle while you work it  
If you put in work, whistle while you work it  
My day one rule  
Is keeping my cool  
Even if I'm broken up  
If you blow my high  
You won't see me cry  
Gotta whistle while you work it  
That's why you gotta  
Never let them see you down, see you down  
Whoa o whoa, yeah  
Gotta smile while you're hurting  
And whistle while you work it  
Whistle while you work it  
Gotta smile while you're hurting  
Just whistle while you work it
