

# Another Stupid Song

## Nobodys

It's in the way that you walk.

It's in the way that you talk.

It's in the way that you do all the stupid things you do.

It makes me wanna take a rock.

And wrap it up inside my sock.

It makes me wanna take a 2X4 and beat the hell out of you.Just another stupid song for another stupid girl.

One i wish, one i wish i never knew.You're such a stupid fucking slut.

I think i really hate your guts.

I really hope all those bad things will come back to you.

I think you're really fucking lame.

I wish you'd fucking go away.

I really want you to pay for all the shit you put me through.Just another stupid song for another stupid girl.

One i wish, one i wish i never knew.It's in the way that you walk.

It's in the way that you talk.

It's in the way that you act so fucking lame.

I wish you'd just go.

I think you're really fucking dumb.

I think your brain is fucking numb.

You really gotta be the stupidest fucking girl that i know.Just another stupid song for another fucked up girl.

One i wish, one i wish i never knew.
