

# The Love You Save

## Jerkwater

Stop! Na na na! You'd better save it  
Stop, stop, stop, you'd better save it  
When we played tag in grade school  
    You wanted to be it  
    But chasing boys was just a fad  
    You crossed your heart you'd quit  
    When we grew up you traded  
    Your promise for my ring  
    Now just like back to grade school  
    You're doing the same old thing  
Stop! The love you save may be your own  
    Darling, take it slow  
    Or some day you'll be all alone  
You'd better stop the love you save may be your own  
    Darling, look both ways before you cross me  
    You're headed for the danger zone  
    I'm the one who loves you  
    I'm the one you need  
    Those other guys will put you down  
        As soon as they succeed  
        They'll ruin your reputation  
        They'll label you a flirt  
        The way they talk about you  
        They'll turn your name to dirt, oh  
            Isaac said he kissed you  
            Beneath the apple tree  
        When Benjie held your hand he felt  
                Electricity  
        When Alexander called you  
        He said, he rang your chimes  
        Christopher discovered  
        You're way ahead of your times  
Stop! The love you save may be your own  
    Darling, take it slow  
    Or some day you'll be all alone  
You'd better stop the love you save may be your own  
    Darling, look both ways before you cross me  
    You're headed for a danger zone  
        Slow down

Slow down  
Slow down  
Slow down  
S is for save it  
T is for take it slow  
O is for oh, no  
P is for please, please, don't go  
The love you save may be your own  
Some day you may be all alone  
Stop it  
Save it, girl  
Baby, ooh  
You'd better stop, the love you save may be your own  
Please, please  
Or some day, some day baby  
You'll be all alone  
Headed for a danger zone  
I'm the one who loves you  
I'm the one you need  
Those other guys will put you down  
As soon as they succeed  
Stop! The love you save may be your own, baby  
You'd better stop it, stop it, stop it girl  
Or someday you'll be all alone  
The way they talk about you  
They'll turn your name, turn your name to dirt  
Stop! The love you save may be your own  
Don't cha know don't cha know  
Some day baby you'll be all alone  
Those other guys will put you down  
As soon as they succeed  
Stop! The love you save may be your own  
Darling
